**\* Radio Future** - *If granted an LPFM license the old 10-watt radio station studio site will serve as the location of the new radio station.*

### **SJDCC Fast Facts:**

San Joaquin Delta Community College (SJDCC) is a college with its main campus located at 5151 Pacific Ave., Stockton, California (<http://www.deltacollege.edu/index.html>). It is the successor of the Stockton Junior College, which was formed in 1935. SJDCC was officially established in 1963. Thus, 2013 is the 50<sup>th</sup> Anniversary of the college (<http://www.deltacollege.edu/dept/publicinfo/prel/2013/50thAnniversaryMagazine.html>). All of the SJDCC Board Members and Superintendent/President live within the college's service area (<http://www.deltacollege.edu/div/trustees/members.html>). According to Arbitron

Stockton comprises the 85<sup>th</sup> Radio Broadcast market (Nielson – 86<sup>th</sup> radio market). The San Joaquin Delta Community College District EIC number is 941044400.

### **Delta College Radio Now Fast Facts:**

Currently San Joaquin Delta Community College has an online radio style broadcast that can be found out at -- <http://airdc.homestead.com/index.html> or by following the links posted on – <http://www.deltacollegeradio.com/> (Radio Broadcasting) and/or <http://deltartv.wordpress.com/>. On this online student operated station community information (news, traffic, weather, sports, etc.), as well as local music entertainment is broadcast. The station currently operates live from 8a.m. until 4p.m. (8-hours) Monday through Friday (some holidays and weekends). Thanks in part to a large student base and volunteer broadcasters, if granted a license we will not have a problem meeting the daily 8-hour broadcast condition.

### **Other Delta College Radio Fast Facts:**

If granted a license the San Joaquin Delta Community College (SJDCC) radio station will be located on the ground floor of the Shima Center (Room 146) on the main campus of SJDCC (5151 Pacific Ave., Stockton, CA 95207). Room 146 is an established radio broadcast training facility. Currently the main Shima 146 studio is being utilized to broadcast online (<http://airdc.homestead.com/index.html>). The room is easily accessed by the public (meets ADA accessibility requirements). The studio features windows that allow the public to view the interior of the studio operation. The daily operation currently is 8-hours per weekday. With the acquired license our broadcast operation will shift to a possible 24-hours/7-days a week, while our open to the public portion of the operation will maintain a daily 8-hour presence (tentative schedule included). At a minimum we will broadcast live 12 hours each day of the week. SJDCC is a state run institution and is open to the public on a daily basis.

### **The Mission of San Joaquin Delta Community College and the Mission of the Delta Community College Radio Station**

Our student and community volunteer operated radio station will reflect the mission of San Joaquin Delta Community College (SJDCC). The primary mission of SJDCC is to provide excellent post-secondary education that serves the needs of students, the College District and the community through continuing, transfer, career and technical education, and economic development. In fulfilling its mission, SJDCC acts upon the following principles. Commitment to excellence requires effective collaboration, respect for cultural diversity, appreciation of historical perspective, open communication, high academic standards, a vital connection to the arts and cultures of the community, and competitive athletics. The faculty, staff, and students of San Joaquin Delta College envision a community of learners who pursue and achieve ever-higher educational goals, commit themselves passionately to life-long learning, and fully appreciate the diverse and dynamic world around them.

### **SJDCC was established in 1963**

In 1963 San Joaquin Delta College (serving all of San Joaquin County) became the successor to Stockton College (established in 1948). The Delta College District grew to 2,300 square miles, larger than Delaware or Rhode Island, with the addition of part of Calaveras County in the summer of 1976, and now serves approximately 20,000 students. Delta College is proud of representing an area that launched California into world prominence, for the Mother Lode era brought about the great western expansion.

### **San Joaquin Delta College Employer Identification Number: 94-1044400**

San Joaquin Delta College, a part of the San Joaquin Community College District (SJCCD), is a tax-exempt organization. However, it is not tax exempt under section 501(c)(3) of the IRS tax code. As a public community college district, SJCCD legally is a political subdivision of the State of California, organized under the state's Education Code. The District is a government agency. Government agencies are tax free and are not required to have a tax exempt status under section 501(c)(3).

### **Accreditation**

San Joaquin Delta College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Blvd., Novato, CA. 94949, (415) 506-0234, an institutional accrediting body recognized by the Commission on Recognition of Postsecondary Accreditation and the U.S. Department of Education.

### **SJDCC Overview**

San Joaquin Delta Community College is committed to providing students with the knowledge and skills necessary to succeed as productive members of society. Degree programs are designed to foster development of citizens and students who demonstrate and apply the principles in the five following areas: I. Human Culture and the Physical World, II. Discipline, Career and Technical Competence, III. Quantitative, Scientific and Communication Skills, IV. Personal and Social Development, and V. Lifelong Learning. As SJDCC is committed to the above, so too will be the SJDCC radio station. This station will provide information from the preceding program areas, as well as other types of programming that will benefit our large and very diverse population.
